## Action Plan 2017-2018 version 2

### 1. Introduction

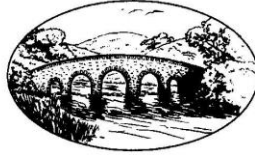

1.1 Heybridge Parish Council constantly strives to work on behalf of the parishioners on the issues that matter to the parish. The Council is keen to receive ideas and suggestions from parishioners on particular areas of interest or concern and where it is felt the Council may assist.

1.2 The Parish Council will publish an action plan annually beginning of each Municipal year. The plan will be drawn from the budget which is set in December and which includes project expenditure for the forthcoming year and from matters raised by parishioners.

1.3 The Parish Council will continually review the action plan, and will add any matters as required through the year. The Action Plan will be formally reviewed by Council on a quarterly basis, to include an update on the matters identified; addition of any further appropriate actions identified during the quarter; and signing off of any completed actions.
