

Heybridge Parish Council

Policy on Recording of Decisions Made By Officers

1. The Openness of Local Government Bodies Regulations 2014 which came into force on 6 August 2014, require a written record to be kept of certain decisions made by an officer of the Parish Council acting under delegated powers.
2. The decisions are those:-
 - i. Made under a 'specific express authorisation', or
 - ii. Made under a general authorisation where the effect of the decision is to
 - Grant a permission or licence,
 - Affect the rights of an individual, or
 - Award a contract or incur expenditure which, in either case, significantly affects the financial position of the Parish Council.
3. The guidance issued by the Department of Communities and Local Government states:

'Officers take many administrative and operational decisions on how they go about their day to day work within the Council's rules. These decisions will not need to be recorded.'

You will not be able [to] inspect some recorded decisions if the whole or part of the records contain confidential information or any other information [where] publicity would be prejudicial to the public interest.

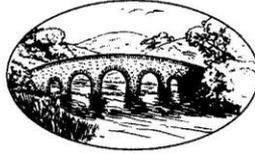

Examples of decisions that should be recorded could include:

- *Decisions about awarding contracts above specified individual/total values (the values will vary according to the relevant parish or town council)*

Where decisions are already required to be published by other legislation, they do not need to be recorded again provided the record published has the date the decision was taken and the reasons for the decision.

Decisions that do not need to be recorded might include the following examples:

- *Routine administrative and organisational decisions such as the purchase of offices supplies or repairs;*

Heybridge Parish Council

- *Decisions to book rooms or sports grounds; and decisions to approve works undertaken by a contractor.*

These are a few selected examples and not an exhaustive list. It is for the Council to decide what information should be recorded on the basis of the national rules.'

4. The Clerk currently has authority to incur expenditure up to £1000. The Parish Council does not consider that such expenditure is likely to significantly affect the financial position of the Parish Council. Expenditure in excess of these limits must be authorised by a Committee or by full Council and the decision will be recorded in the Minutes.
5. Accordingly, and having regard to the exemptions set out in the guidance, Heybridge Parish Council does not consider that officers will be taking decisions of such a nature that a written record will be required.
6. If, exceptionally, a written record is considered to be required of an officer's decision that record will be published on the Parish Council's website and annotated in the minutes of the relevant meeting (full Council or Committee.)

7. Status

This policy will be considered for adoption by full Council on 17th December 2015 and will be subject to annual review. Adopted 17th December 2015.
