

Heybridge Parish Council

Three year Financial Plan Statement

1. The Parish Council expects the Precept to rise in relation to inflation unless there are any extenuating circumstances.
2. A plan for capital income and expenditure will only be prepared when the Council considers being involved in any significant capital project.
3. Minor items of capital expenditure are included in its normal expenditure.

4. Status

This statement will be considered for adoption on 17th March 2016 and will be subject to annual review. Adopted on 17th March 2016.
